Rudy,

Thanks for the updated information. I've shared it with our office, and I will be in touch to let you know what stops we'll be able to attend. It sounds like you have some good site visits planned.

Best,
Haley

Subject: FW: Update on EPA visit to VT re Waters of the US

Tom, Phil, Patricia, Haley,

Below is a close to final agenda for the Vermont Water of the U.S. visit to Vermont. Thanks.

Update on EPA visit to VT re Waters of the US

Again, Ellen Gilinsky, Nancy Stoner's Senior Advisor, accompanied by Travis Loop (the Water Office's Communications Lead) will be coming to VT late in the day on Monday.

On Tuesday they will visit Ben & Jerry's in the morning, UVM in the afternoon and hold the Waters of the US Roundtable at 6:30 at the Aiken Center.

On Wednesday morning they will visit a wetlands restoration site in Leicester and the Goodrich Farm in Salisbury. Stephen PerkinsI will accompany Ellen and Travis in a visit to the ECHO Center before they head back to DC.

They expect to be joined by Ron Poltak (NEIWPCC) for a good deal of this trip.

A more detailed itinerary is attached above.

Please let us know if you have questions; also let me know if you will be able to attend any of the scheduled stops. Thanks.
